

REPORT TO THE COMMUNITY April 2016 – March 2017

St. Peter's Hospital Welcomes You!

In collaboration with the Sunrise Health Region and Emmanuel Care, strategic planning is ongoing at St. Peter's Hospital. This year's priority areas include a focus on Mission & Spirituality, Governance & Leadership, Quality & Safety, and Stewardship.

creative scheduling to allow employees to have that work-life balance.”

If you have a story you'd like to share, please contact Brian Mee, our Spiritual Care Director at St. Peter's Hospital. We would be happy to hear from you!

Emmanuel Care and St. Peter's Hospital have teamed up to collect 'Stories of St. Peter's', a collection of stories about the history of St. Peter's Hospital. An excerpt from one particular story is as follows; "When I asked Irene what she most remembers about the Sisters, she mentioned their kindness... Irene went on to say the nuns really demonstrated their care about the staff and their families in practical ways: Helping to find childcare, and

The first annual Charism Award was presented to the Therapies Department at St. Peter's Hospital during the Taste of Christmas in December 2016. Congratulations to Moira Stoll, Jannah Haas and Kari Krieger! (pictured right with Emmanuel Care representative Al Brischuk; missing: Kari Krieger)

Leading up to the Feast of St. Peter, June 29, 2016, St. Peter's Hospital staff held a food drive for the local food bank in Melville. We were fortunate to be able to donate over 177lbs of items to the food bank! Thank you to all our staff who give so generously!

We have been very fortunate to have the support of the St. Peter's Hospital Foundation in purchasing much needed equipment for the hospital. With the help of the Angel Promotion fundraiser, held annually during the Christmas Season, the Foundation has been able to purchase a diagnostic set for the Emergency Outpatient Department, and we've been able to move forward with the installation of Patient Connect units in the hospital.

As well, we continue to have the support of the St. Peter's Hospital Ladies' Auxiliary (pictured left), and their fundraising efforts continue to provide St. Peter's Hospital with the support that is necessary to provide our patients and families with excellent healthcare. The Ladies' Auxiliary has purchased a rocker recliner and our front entrance welcome sign, and we are very grateful for their assistance.

As we move into the future, our hope is that our patients continue to feel that their needs are being met in a caring and compassionate atmosphere!
